Description

The results of an exciting new collaboration between mineheart and renowned international artist Joao Figuieredo. A collection of rugs that infuse modernity with tradition, playing with the whole concept of art and how we appreciate it. By appropriating traditional portraits and taking something away he gives the works new meaning and a surreal twist. Annabelle - Her substance is still there but all we can glimpse are the finishing touches. A fusion between art and utility, this rug will add a beautifully surreal touch to any interior, and unlike real cowhides this one is hypo-allergenic, washable, and will always lay flat. Please hand brush and Hoover with care. Dimension: Dimensions: 1500x1653mm Thickness: 2mm Materials: Rubber backed fabric Shipping Dimensions: Dimensions: 150cm x 15cm x 15cm Weight: 5kg
