Description

Decorative wall panels – Resistance and refinement are essential to the Palladio Wengé wall panels, as to the works of the famous Venetian architect. The black colour will give add more elegance to your home furnishing. Number of panels: 6 ; Dimension: 60x30cm. Description: Palladio Wengé's minimal design and black colour make this model suitable for every kind of furnishing. Made with wood, the decorative panels are a support for the Rialto Black Hangers , but also give a touch of style to the walls of your house. The wood grain has high-impact veins, that goes along in harmony with the panel's engravings. Materia: ash wood Clothes hanger: width 43, height 17, thickness 1.2 cm Panels: 30/60/2 cm total height of the panels 180 cm equipped with the necessary hardware for easy wall mounting
